Check Your Calendar-March 23rd Meeting!

Because of Spring Break our March meeting will be held on March 23rd at 7:30. The meeting will be a Show and Tell, so please bring in some work to share. There have only been a couple of HOW classes, but those attending are encouraged to share their work!

President's Challenge Pieces

If you missed our last meeting, several members brought in their President's Challenge pieces. Bryan Richardson took the wine rack pieces, made a board and then "made a bowl from a board" -a few times with great results. Tom Hauber pieced together the various wine rack elements as close as he could, adding some additional pieces to make a tight bowl. Poking a little fun at Matt, Mike Kehs took the "useless wood and made a useless turning tool." Steve Hillerman made a fun truck, while Keith Nelson made a lamp, complete with a dimmer switch.

Bob Rosand Makes a Box and Salt and Pepper Shakers

Your editor is still working on Bob's photos and hopes to have a short summary of his demonstration on the web soon. He had too much fun at Nancy Rourke's Rosemaling HOW!

From President Matt Overton

We are trying to put a mini HOW rotation together for April. Bryan and I welcome your suggestions! Barry Gross will show his wood stabilizing system to everyone, then he will be one of the rotations with his bangle. Looking further forward, we have Pat Kramer demonstrating at June's meeting. I'd like to host another picnic in July, so take a look at your calendar for suggestions about scheduling it. One other summer item, I would also like to put together a committee to look at the feasibility of having a booth at this year's Middletown Grange Fair in August. Please contact me if you are interested.
